

FIRM OVERVIEW

BACKGROUND

Founded in 1998, Mason Wells is a highly experienced and active Midwest-based private equity firm that has raised over \$2.4 billion across five independent buyout funds, including Mason Wells Buyout Fund V, a \$767 million fund raised in 2021. Our long-standing approach to private equity revolves around the investment we make in people, the enduring partnerships we build with management teams, and the deep network of industry resources we provide.

Mason Wells focuses on two key aspects of every transaction:

THE MANAGEMENT TEAM

Mason Wells seeks to support founders, family owners and managers in the transition of ownership to help companies and owners realize their potential while preserving legacy and culture.

OPPORTUNITIES TO BUILD AND IMPROVE A BUSINESS

We work in partnership with experienced, entrepreneurial management teams to implement our disciplined and proven Value Creation System to create long term, sustainable value in companies.

INVESTMENT CRITERIA

Mason Wells seeks to be the lead equity investor with control positions in companies that meet the following preferred criteria:
